

MYA PASTRY DISPLAY

Colors:

RAL color choice, Okite-Quartz finish, ALPI wood laminate, or design collection finish type

OKITE

ALPI

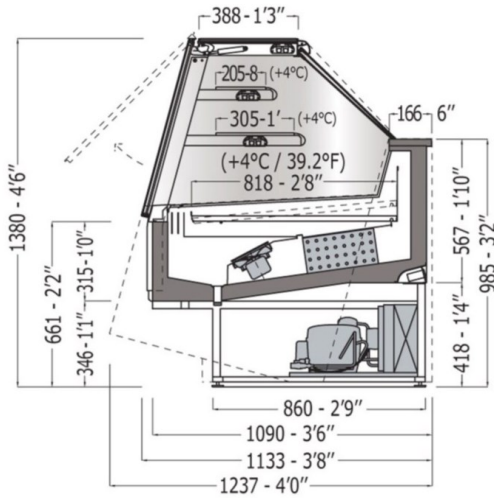

Key Features:

- ◇ High Performances: ALC airflow level control to manage the temperature on shelves (three regulations)
- ◇ Visibility: extraordinary enhancement of displayed products
- ◇ Practicality: piston assisted front glass opening system
- ◇ Customizable: Wide variety of finish and cladding options

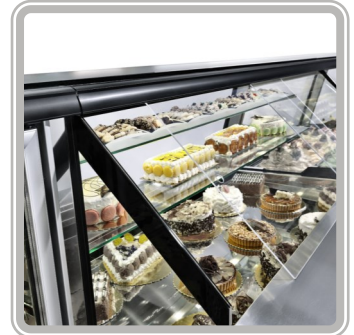

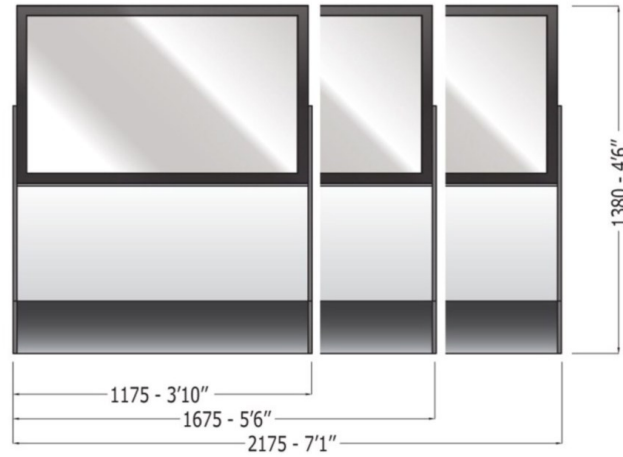

Mya collection: Ciam's spearhead production. It is the perfect synthesis of performance, ergonomics, energy savings, and product display visibility. High performance maintains the product, even in the worst ambient conditions. Maximum flexibility: A.L.C airflow level control to manage the temperature on all shelves (three different set points). All upper glass is double glazed to avoid fog even in high relative humidity conditions.
